Dear Requestor

REQUEST UNDER THE FREEDOM OF INFORMATION ACT 2000 Ref No: FOI2018/07058

I write in connection with your request for information received on 6th December. I note you seek access to the following information:

How many thefts were reported at hospitals within your constabulary area in 2018, 2017 and 2016?

What was stolen on each occasion please?

What was the outcome of each investigation please?

I am required by the Freedom of Information Act 2000 (The Act) to handle all requests in a manner that is blind to the identity of the requestor. Any information released in response to a request is regarded as being published and therefore, in the public domain without caveat.

Following enquiries within the Force please see our response below.

Response - Bedfordshire Police made a significant investment in a new ICT system, Athena, in May of this year which, when fully implemented, will help keep Bedfordshire safe, bring more offenders to justice and improve outcomes for victims. Updating our ICT was absolutely necessary to ensure Bedfordshire Police remains as effective and efficient as possible. The public should be reassured crime continues to be reported and investigated as normal but whilst colleagues become more comfortable and familiar with how Athena works Bedfordshire Police has some concerns around data quality for which reason some of the data provided concerning events recorded after 23 May, may include some inaccuracies. We apologise for the situation and are working to resolve it as soon as possible. Therefore the data has been provided in separate tables up to 22.5.18 and 23.5.18 thereafter on the Attached document.

Attachment – Annex A FOI2018 07058

The numerical data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.

Should you have any further enquiries concerning this matter please do not hesitate to contact me quoting the above reference number.

Yours sincerely
