Bedfordshire Police remains as effective and efficient as possible. The public should be reassured crime continues to be reported and investigated as normal but whilst colleagues become more comfortable and familiar with how Athena works Bedfordshire Police has some concerns around data quality for which reason some of the data provided concerning events recorded after 23 May 2018, may include some inaccuracies. We apologise for the situation and are working to resolve it as soon as possible.

The numerical data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data.
